

Strategy Analyst Internship

Start date: asap or June

Duration: +/- 6 Months

About Us

VAY is a fast-growing VC-backed start-up that specializes in computer vision and AI technology solutions. We have developed a revolutionary computer vision technology to analyse movements from normal video streams and extract health-relevant data allowing to digitize physiotherapy and automate fitness tracking. While other technologies need specific hardware, VAY's solution is hardware agnostic – we can be integrated in any smartphone/laptop app or fitness devices with a camera. Our clients include the market leaders of gym equipment manufacturers, fitness streaming platforms, governmental institutions, health insurances, pharmaceutical and digital therapeutics companies.

Your Peers

We are young, entrepreneurial and want to have fun while achieving great things. We move fast and enjoy working with smart people who not only have the potential to keep pace but also keep challenging us and teach us new things. We want our whole team to grow personally as well as professionally and thoroughly enjoy their time at work.

Your Future Role

As an Intern at VAY, you will be immersed in an early-stage start-up; this means you can have a big impact on the direction this venture is going. This comes with great responsibility and requires ownership. You will be closely aligned with the founder team and support them on all upcoming non-technical problems.

Your responsibilities depend on your strong suits, some of them are the following:

- Support the executive team with all analytical tasks including financial plan, CF planning, market analysis, competitor's analysis, etc.
- Prepare Investors-Deck ivy-league VCs and support in Due Diligence
- Create, organize, and manage relevant databases.
- Help with record keeping, data management and project deliverables.

Your Profile/Skills

- University degree in business or business-related studies (or similar).
- Command of Microsoft Office, in particular Excel.
- Analytically minded, numbers and formulas are your second language
- Ability to think and execute independently, with a high attention to detail
- Must be able to work on projects with minimal direction in a fast-paced environment and adapt to shifts in business priorities and appreciate no bullshit communication.
- High level of openness, curiosity, aspirations, and hands-on mentality.
- Full written and spoken fluency in English and German.
- You don't take yourself and everything around you too serious!

Your Benefits

Join us on this exciting journey and gain valuable experience leading a young and innovative team! You will get to enjoy the amazing world of start-ups with driven people wherever you go, be it with our clients' innovation teams or at fairs and events.

Our office is ideally located 2 minutes from Paradeplatz & Lake of Zurich. We have set up a great home office working culture and offer a very flexible working style. We nourish a culture of full transparency and involvement, and therefore offer all permanent employees a stake in the company.

We would be thrilled to receive your application! Send us an email with your CV and approx. 200 words about "why I would be a good fit for VAY" to apply@vay.ai
